

# Break-Out : Break-Down

Closing Prices: Tuesday, January 28, 2014

## **Canadian and U.S. Indexes, ETFs, and Stocks:**

Find out, on the next page, what Indexes/ETFs/Stocks have broken out above their down-trend lines, and which have broken down through their up-trend lines. <Ctrl-Click> on any name to see the chart.

TheUpTrend.com is a proprietary technical analysis system, devised by Stephen Whiteside, that uses charts and various technical tools to maximize trading and investing experiences.

#####

TheUpTrend.com provides intra-day, daily, weekly, and monthly technical analysis on global stocks, indexes, ETFs, and futures.

#####

Knowing when to buy, when to sell, and when to take profits are all part of a responsible and fundamental investment strategy. Execution of these parameters, for most investors, is rarely easy to accomplish. The task is infinitely easier with the use of TheUpTrend.com.

#####

By providing investors with a set of powerful Decision Support Tools, investors can dramatically increase returns and reduce risk. These tools help investors make better decisions faster, with more confidence, and less stress.

#####

### **FREE Video Link:**

Four days a week, Monday through Thursday, and before the market opens, Stephen Whiteside provides, through an audio-video presentation, a technical viewpoint on the stock market. This informative video is provided on the eResearch Corporation website and is available to all eResearch Subscribers. Stephen's 6-8 minute commentary alternates daily between the Canadian and the U.S. market, and reviews the charts of the major country indexes, company stocks, bonds, currencies, and ETFs.

#####

The detailed features of TheUpTrend.com system are available only to paid subscribers.
